Dear Adrian,

Thanks for contacting me recently and for providing me with useful information on the 'Keep VAT at 9%' campaign.

I am very supportive of your efforts to retain VAT for restaurants and other key areas of the tourism industry at 9% and I agree that the measure has been integral in maintaining many jobs in the food and tourism industries.

I will raise this issue with Minister Michael Noonan and I will urge him to retain VAT for these vital industries at the current level.

Very best wishes
